

TechCorp Employee Handbook

Version 2024 — Confidential

1. Company Overview

TechCorp was founded in 2010 and is headquartered in San Francisco, California. We specialize in building AI-powered software solutions for enterprise clients. The company currently employs over 500 people across 10 countries. Our mission is to make artificial intelligence accessible to every business.

2. Work Hours and Attendance

Standard work hours are from 9:00 AM to 6:00 PM, Monday through Friday. Employees are entitled to a one-hour lunch break between 12:00 PM and 2:00 PM. Remote work is allowed up to 3 days per week with manager approval. All employees must log their hours using the company's HR portal.

3. Salary and Benefits

TechCorp offers competitive salaries reviewed annually every January. All full-time employees receive health insurance, dental, and vision coverage. The company provides a 401k plan with a 5% employer match. Employees receive 15 days of paid vacation per year, increasing to 20 days after 3 years. There are also 10 paid public holidays per year.

4. Products and Services

TechCorp offers three main products: SmartAnalytics, AutoFlow, and CloudBase. SmartAnalytics is our AI-powered data analysis platform priced at \$299 per month. AutoFlow is a workflow automation tool available at \$199 per month. CloudBase is our cloud infrastructure management solution priced at \$499 per month. All products come with a 30-day free trial and 24/7 customer support.

5. Code of Conduct

All employees are expected to maintain a professional and respectful environment. Discrimination, harassment, or bullying of any kind will not be tolerated. Employees must

protect confidential company and client information at all times. Any conflicts of interest must be reported to the HR department immediately. Violations of the code of conduct may result in disciplinary action or termination.
